

## **NEWSLETTER December 2019**

Dear all,

Greetings!

Thank you for all your support over the last year in terms of time, effort, organisation and participation in Club meetings, road runs and other great events this year. Thank you!

### **This Year**

We will all have specific highlights from meetings, shows or events in 2019 as we look back at another year in the life of the Club. As in 2018 the Annual Club gathering took place at Carsington Water. A good turnout at the Ashbourne Show was made special with an award to Peggy and Cliff for their services.

We were sad to say our goodbyes to Don Dovaston earlier this year but we continue to remember him and his great contributions to the Club. Gary Marsh will be organising a Spring Road Run in 2020 to commemorate Don's life and work for the Club. I am sure many will want to be involved in this.

Alan Sale was elected as new Club President in October along with new committee members, Ed Walker, David Twigge and Sid Doxey. We thank them for their willingness to be involved in leading our Club.

Talks at the Club monthly meetings have gone well; thanks to Eileen in lining these up for us. They have been really appreciated! We have held a couple of tractor runs and Matt Stone is organising an informal last run of the year on Saturday 28th December (please see Matt for details).

### **New Year 2020**

We now look forward to the holiday season and the New Year.

- A provisional schedule of Club activities as currently planned for 2020 is attached for information.
- Wednesday 8th January - the first Club meeting will be an informal / DVD evening
- Friday 17th January - annual Club dinner at Wyaston Village Hall. For catering purposes, please let me or Matt know if you will be attending and how many places you would like. Cost is £25 per person. Thank you.

This comes with Season's Greetings and to wish you peace and joy this Christmas.

Kind regards and best wishes,

Richard
