

# ASHBOURNE AND DISTRICT VINTAGE TRACTOR CLUB

NEWSLETTER

JUNE 2018

Welcome to All;

**Sunday 24 June there is a vintage event at Carsington Water 10am – 4pm and we have been invited to exhibit our tractors and if anyone is interested please let a committee member know before 1<sup>st</sup> June as we need to be allocated an area according to numbers.**

As prices are increasing for speakers, in 2018 there will fewer speakers and we will have DVD evenings. We would like to get a DVD collection together and if you have any going spare please bring them along.

Please support Nigel Dixon by placing all items` for sale` and` wants` in the Market Place newsletter which is available on club nights, Nigel can be contacted on 01335 346795 or via e-mail [nsdixon@tiscali.co.uk](mailto:nsdixon@tiscali.co.uk)
